

A TOUCH OF GRATITUDE !!!

It is hugely gratifying to receive the overwhelming appreciation we have been receiving from many of our Bachpan and AHPS parents who already share our vision to create a holistic and wonderful learning experience for our students. As a gesture of our appreciation we are happy to introduce our parent referral programme, whereby existing parents can refer other parents and receive a reward once the referred parent's ward is enrolled.

Referral Process

The process of referral rewards is as follows:

- Write to us with name and contact details of the referred student / family at 6260240992, **7489444829** or ahps5192@academicheights.in
- You will receive an acknowledgement from the admissions team
- We will inform you when the child is enrolled with Bachpan or AHPS
- You may refer as many parents as you wish and receive your referral award more

Referral Policy

- Every successful referral will be entitled to receive Tuition fee credit reward each time you refer and that enrolls with us.
- A referral will be considered successful only:
 - a) if the referred parent mentions in the walk-in & admissions form the full name and details of the referee;
 - b) Once the referred parent enrolls his or her ward at Bachpan or AHPS and the First installment of fees is paid, there will be no monthly option.
- The reward will be paid to the referee as a waiver to subsequent tuition fee of referee's ward.
- On more than 10 referees a parent will be entitled to be a member of parent Association.

Regards,
Academic Heights Public School &
Bachpan Play School, Indore
